### WOMAN'S BOARD PLANNING INTER-CHURCH CLASSES

The Woman's Board of Missions of Central Union Church held its regular monthly meeting yesterday afternoon at the Church parlors. The President, Mrs. Theodore Richards opened the meeting with a few words on the unrest that is in the world today. She mentioned the European War, the Turk trouble, the labor trouble of Ireland, the political unrest in America, the resentment of the Christians because of the endorsement of Catholicism, and the unrest in China. She said, "It is a great comfort that we may turn to our bible and find such chapters as I shall read today." She then read from the twenty-sixth chapter of Isaiah and the twenty-fourth Psalm was read in unison. Prayer was then offered by Mrs. Elmpson and Mrs. Robert Halsey.

The secretary and treasurer's report was then read.

Mrs. Richards then spoke of the trained mission worker. It has been the desire of the Board to secure the services of a trained mission worker. After much corresponding, however, it was found that such a woman could not be obtained for the work this year. Therefore the mission study has been postponed and will take place during the Lenten season. There will be inter-church classes for it is expected that the different churches in the city will co-operate. The first class will probably be held on the fifth of February. The first subject taken up will be Hinduism. Dr. Scudder will deliver the lecture. The following week Buddhism will be taken up and the lecture will be delivered by Mr. Wadman.

The same week the Reverend Motokawa will talk on Shintoism. The following week Ananism, Towism and Confucianism will be lectured on by Mr. Peters, and the Chinese minister of the Methodist Episcopal church, Mr. Williams of St. Clements will tell of Mohamadianism. The Opinion of Asia on Christianity will be told by Mr. Erdman. Bishop Restarick will deliver a lecture on Christ the Light of the World. These lectures will not take the place of the regular board meeting but will be held once every week during the six weeks of the Lenten season.

Mrs. McKenzie the mission worker among the Chinese spoke briefly on the work accomplished among the Chinese. The young men are now able to conduct a literary club by themselves, and are anxious to do all in their power towards the advancement of the work. An able interpreter has been secured and now those who have not a thorough knowledge of the English language are able to understand. The morning school for Chinese women is now well attended both by women and young girls. The news which Mrs. McKenzie considered the best she kept until the last. The present mission building on Beretania street is now to be remodeled and enlarged so that larger classes may be held. The Hawaiian Board has bought the lease and as soon as the renovation is completed there will be an open door for the boys on the street.

The literary program was in the hands of Mrs. John Erdman. Miss Snow read a most interesting paper on the Leaders of the World's Great Religions, which will be published in this paper tomorrow.
